

# Tree Trail

We have identified twenty seven different types of trees that can be seen when you take a walk around Riverside.  
Can you figure out what these ones are?

	y__	a__
	b_____	r_____
	m_p__	b_____
	a_____	h_____
	s_____e	h__t_____
c_____	b_____	S_____p_____
w_____	w_____	h_____c_____
